Notes: The recording session was titled 'Gullin's Garden' and/or 'The Flower Suite'
In Sweden the Latin flower names were used, but Esquire and EmArcy used the
English names (all flower names are specified here in Latin - English - Swedish):

Primula Veris	Cowslip	Gullviva
Laburnum Vulgare	Laburnum	Gullregn
Lotus Corniculatus	Cat-in-Clover	Käringtand
Galium Verum	Cheese-Rennet	Gulmåra

Recording date on Dragon CD DRCD 401 and DRCD 410 indicated as June 10,
1954, which probably is wrong as all other issues agree on June 3, 1954.
